Care Instructions for Kimberly-Clark Professional™ ICON™ Dispenser Faceplates

Our custom automatic rolled hand towel and skincare dispenser faceplates are made of high-quality ABS plastic and printed non-PVC laminates. Faceplates can easily be cleaned and sanitised following proper procedures.

- **To clean**
- **Remove dirt, dust, etc.**

- Use soap and water and wipe with soft cloth.
- Wipe with a light force, as though dusting off a counter.

- **To sanitise or disinfect**
- **Remove or kill germs**

- Use alcohol-based or quaternary-ammonium-based sprays or wipes.
- To properly disinfect, follow the chemical manufacturer instructions for dilution and exposure time.
- If instructed, wipe off any sprays with a soft cloth. Wipe with a light force, as though dusting off a counter.

Do not use bleach, abrasive materials (e.g., plastic scrubs, steel wool), toilet bowl sanitisers, tile cleaners, acids, acetone or peroxide cleaners. These products can stain and break down the ABS and laminate.
