RIGHT PURPOSE WIPES

WypAll® 2in1 Midi Roll cleaning system

Single side sheet dispensing

Flat sheet dispensing for a ready to use experience, just like a large roll but lighter and portable. Single sheet means you use just what you need reducing waste and improving costs.

4 benefits in 1 cleaning system

Cleaning surfaces, remove contaminants, chemical compatibility² and durability.

EACH WIPER CAN BE USED MORE THAN 20 TIMES.

UP TO 15% REDUCTION OF CONSUMPTION¹

due to optimized sheet and dispensing

EASY TO CARRY AND ERGONOMIC

case design is light weight and portable

LIQUID RESISTANT PACKAGING

varnish coated to protect from water, oil, grease

¹ Results of a Hall test in August 2022, based on less waste and consumption thanks to single-sheet removal and the resulting reduction in waste and transport volumes.

² to many common chemicals used for cleaning
